such projects shall be paid from funds collected pursuant to § 923.41.

REGULATIONS

§ 923.50 Marketing policy.

(a) Each season prior to making any recommendations pursuant to § 923.51, the committee shall submit to the Secretary a report setting forth its marketing policy for the ensuing season. Such marketing policy report shall contain information relative to:

- (1) The estimated total production of cherries within the production area;
- (2) The expected general quality and size of cherries in the production area and in other areas;
- (3) The expected demand conditions for cherries in different market outlets;
- (4) The expected shipments of cherries produced in the production area and in areas outside the production area;
- (5) Supplies of competing commodities;
- (6) Trend and level of consumer income;
- (7) Other factors having a bearing on the marketing of cherries; and
- (8) The type of regulations expected to be recommended during the season.

(b) In the event it becomes advisable, because of changes in the supply and demand situation for cherries, to modify substantially such marketing policy, the committee shall submit to the Secretary a revised marketing policy report setting forth the information prescribed in this section. The committee shall publicly announce the contents of each marketing policy report, including each revised marketing policy report, and copies thereof shall be maintained in the office of the committee where they shall be available for examination by growers and handlers.

§ 923.51 Recommendations for regulation.

(a) Whenever the committee deems it advisable to regulate the handling of any variety or varieties of cherries in the manner provided in § 923.52, it shall so recommend to the Secretary.

(b) In arriving at its recommendations for regulation pursuant to para-

7 CFR Ch. IX (1-1-06 Edition)

graph (a) of this section, the committee shall give consideration to current information with respect to the factors affecting the supply and demand for cherries during the period or periods when it is proposed that such regulation should be made effective. With each such recommendation for regulation, the committee shall submit to the Secretary the data and information on which such recommendation is predicated and such other available information as the Secretary may request.

§ 923.52 Issuance of regulations.

(a) The Secretary shall regulate, in the manner specified in this section, the handling of cherries whenever he finds, from the recommendations and information submitted by the committee, or from other available information, that such regulations will tend to effectuate the declared policy of the act. Such regulations may:

- (1) Limit, during any period or periods, the shipment of any particular grade, size, quality, maturity, or pack, or any combination thereof, of any variety or varieties of cherries grown in any district or districts of the production area;
- (2) Limit the shipment of cherries by establishing, in terms of grades, sizes, or both, minimum standards of quality and maturity during any period when season average prices are expected to exceed the parity level;
- (3) Fix the size, capacity, weight, dimensions, markings, or pack of the container, or containers, which may be used in the packaging or handling of cherries.

(b) The committee shall be informed immediately of any such regulation issued by the Secretary, and the committee shall promptly give notice thereof to growers and handlers.

suspended, or terminated, it shall so recommend to the Secretary.

(b) Whenever the Secretary finds, from the recommendations and information submitted by the committee or from other available information, that a regulation should be modified, suspended, or terminated with respect to any or all shipments of cherries in order to effectuate the declared policy of the act, he shall modify, suspend, or terminate such regulation. On the same basis and in like manner the Secretary may terminate any such modification or suspension. If the Secretary finds that a regulation obstructs or does not tend to effectuate the declared policy of the act, he shall suspend or terminate such regulation. On the same basis and in like manner the Secretary may terminate any such suspension.

§ 923.54 Special purpose shipments.

(a) Except as otherwise provided in this section, any person may, without regard to the provisions of §§ 923.41, 923.52, 923.53, and 923.55, and the regulations issued thereunder, handle cherries (1) for consumption by charitable institutions; (2) for distribution by relief agencies; or (3) for commercial processing into products.

(b) Upon the basis of recommendations and information submitted by the committee, or from other available information, the Secretary may relieve from any or all requirements, under or established pursuant to § 923.41, § 923.52, § 923.53, or § 923.55, the handling of cherries in such minimum quantities, or types of shipments, or for such specified purposes, as the committee, with approval of the Secretary, may prescribe. Specified purposes under this section may include shipments of cherries for grading or packing to specified locations outside the production area and shipments to facilitate the conduct of marketing research and development projects established pursuant to § 923.45.

(c) The committee shall, with the approval of the Secretary, prescribe such rules, regulations, and safeguards as it may deem necessary to prevent cherries handled under the provisions of this section from entering the channels of trade for other than the specific pur-

poses authorized by this section. Such rules, regulations, and safeguards may include the requirements that handlers shall file applications and receive approval from the committee for authorization to handle cherries pursuant to this section, and that such applications be accompanied by a certification by the intended purchaser or receiver that the cherries will not be used for any purpose not authorized by this section. The committee may rescind or deny to any packing facility the special purpose shipment certificate if proof satisfactory to the committee is obtained that cherries shipped for the purpose stated in this section were handled contrary to the provisions of this section.

§ 923.55 Inspection and certification.

Whenever the handling of any variety of cherries is regulated pursuant to § 923.52 or § 923.53, each handler who handles cherries shall, prior thereto, cause such cherries to be inspected by the Federal-State Inspection Service, and certified by it as meeting the applicable requirements of such regulation: *Provided*, That inspection and certification shall be required for cherries which previously have been so inspected and certified only if such cherries have been regraded, resorted, repackaged, or in any other way further prepared for market. Promptly after inspection and certification, each such handler shall submit, or cause to be submitted, to the committee a copy of the certificate of inspection issued with respect to such cherries.

REPORTS

§ 923.60 Reports.

(a) Upon request of the committee, made with the approval of the Secretary, each handler shall furnish to the committee, in such manner and at such time as it may prescribe, such reports and other information as may be necessary for the committee to perform its duties under this part. Such reports may include, but are not necessarily limited to, the following: (1)
